# INTRODUCTION

**“UKZN Extended Learning’s aim is to capacitate individuals and organisations with critical knowledge, skills and resources to achieve their full potential. Our continuing education courses improve productivity and performance, and contribute to South Africa’s ability to compete successfully in Africa, and globally.” - Simon Tankard: CEO**

The world is changing faster than ever before. Shouldn’t you? It is critical for future success that you remain abreast of the skills, knowledge and qualities required to build your capability to lead your organisation into the future. We are pleased to announce our **2016 Portfolio Highlights** to assist you in addressing the challenges of a more competitive business climate, to pursue practical learning and development opportunities in your chosen field of expertise. Our courses are taught by distinguished academics from the University of KwaZulu-Natal (UKZN) and other leading institutions nationally and internationally. Our focus is on active learning, sharing of best practice and implementation of practical applications and solutions for impact in the workplace. Our aim is to enhance your personal performance and improve your organisation’s competitiveness in a challenging and demanding environment.

## **Continuing Education at UEL offers:**

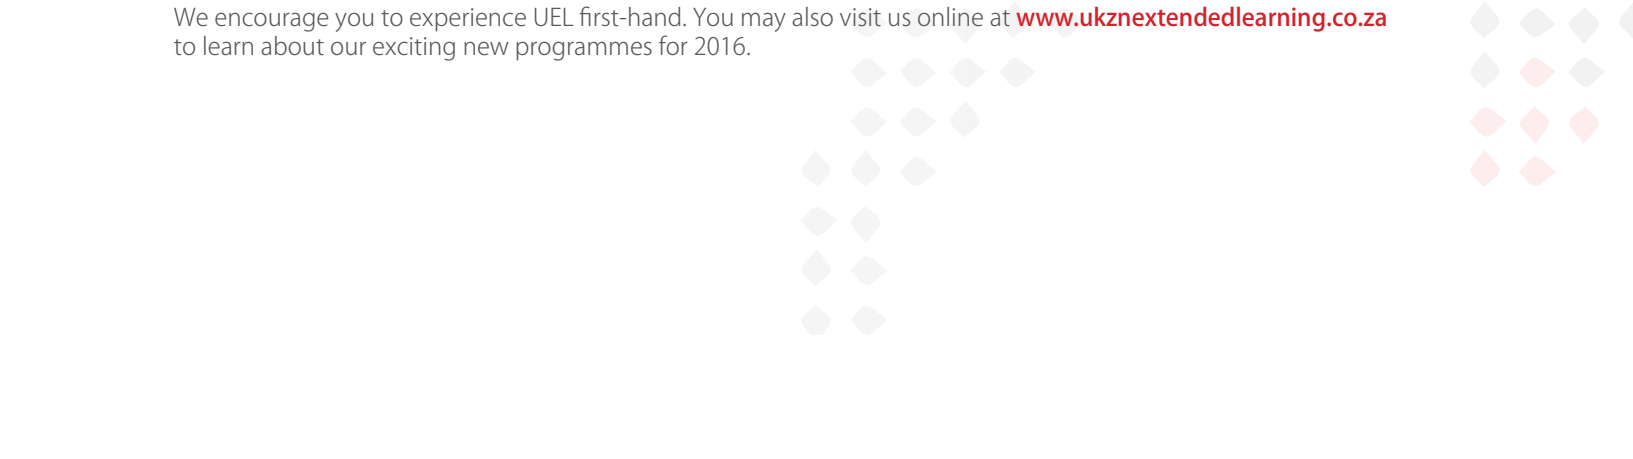

- ✿ Capacity building for improved business performance and impact
