

South African Square Kilometre Array Project

Call for applications from students for SKA SA Doctoral and Masters Bursaries for 2017

The South African SKA Project will consider applications from academically excellent students who wish to undertake postgraduate-level research relevant to the scientific and technical goals of the SKA and MeerKAT radio telescopes, and who are:

1. South African citizens, and permanent residents of South Africa; or
2. Citizens of Botswana, Ghana, Kenya, Madagascar, Mauritius, Mozambique, Namibia and Zambia.

Students may apply online at <https://skagrants.nrf.ac.za>

Closing date for applications is 29 July 2016
