To Whom It May Concern

**Re: Proposal and Ethics approval for Nomathemba Ngcobo (15N4109)**

The minutes of the EHDC meeting of 29 October 2015 reflect the following:

***CLASS A RESTRICTED MATTERS***

***2015.10.3 DOCTOR OF PHILOSOPHY RESEARCH PROPOSALS***

***Nomathemba Ngcobo 15N4109***

***Topic: The enablements and constraints in the uptake of educational technologies for teaching and learning in differentiated institutions***

***Appointment of supervisors: Prof Sioux McKenna***

***Co-Supervisor: Dr Marcelle Harran***

***Decision: Approved***

This letter confirms the approval of the above proposal at a meeting of the Faculty of Education Higher Degrees' Committee on 29 October 2015.

In the event that the proposal demonstrates an awareness of ethical responsibilities and a commitment to ethical research processes, the approval of the proposal by the committee constitutes ethical clearance. This was the case with this proposal and the committee thus approved ethical clearance.

Yours truly

Prof. Mellony Graven  
Chair of the EHDC, Rhodes University
