Information Studies Programme – 2017

POSTGRADUATE DIPLOMAS

INFORMATION STUDIES (PGDIS) RECORDS AND ARCHIVES MANAGEMENT (PDGRAM)

As part of the School of Social Sciences based on the Pietermaritzburg Campus of UKZN, the Information Studies Programme offers 2 Postgraduate qualifications. The mission of the Programme is to educate and train library and information professionals who are able to apply their knowledge and skills in local and global contexts in a socially-responsive way. The Programme is characterised by innovative research and scholarship which informs a broad-based curriculum with opportunities to specialise. Graduates from the Programme find employment as qualified professionals in a host of agencies and sectors including libraries, media centres, archives, government departments and the private sector working as librarians, knowledge managers, records managers and archivists.

The Programme invites applications who are currently in their final year of study and are wanting to pursue a career in Library and Information Science and Archives and Records Management
