Facilitators include:

Ms Lindiwe Kunene

Lindiwe is an academic at UKZN who holds a Master's degree in Commerce and is currently reading for her PhD at UKZN. She is within the Discipline of Management and Entrepreneurship where she lectures and does research in Small, Medium, Micro Enterprises (SMMEs). Her research mostly

concentrates on branding models suitable to the South African small business environment. She does however work on the relationship between development economics and entrepreneurship; Social entrepreneurship and the development of creative industries. She serves on the board for KUMISA, an NGO on economic development of the music industry in KZN. She also serves on the board of the P.E.A.C.E Foundation Trust an NGO that promotes Rural Economic Development and Elephants, Rhinos and People programmes and was recently appointed to the UKZN Discovery Medical Aid Scheme. She is one of the researchers in the UN-Universities and the African Development Bank initiative called Youth Entrepreneurship Society for Africa's Industrialisation.

**EXTENDED
LEARNING**

UKZN Extended Learning (UEL) is committed to enrichment through lifelong learning, by providing high quality credit and non-credit bearing short courses and academic programmes in collaboration with schools and colleges of the University of KwaZulu-Natal. In a fast-changing environment, developing relevant and useful skills and knowledge, and the capacity to deliver results, is more important than ever. Our courses are designed using the very best methods by combining content, based on both tried and tested results, and recent cutting edge research, with interactive experiential teaching and learning from local and international faculty and guest speakers.
