Prof's Ncoza Dlova and Anisa Mosam of the Dermatology Department at UKZN would like to invite you to the UKZN Dermatology Spring Update in partnership with Adcock Ingram Dermatology, the first of many to follow.

We have 18 talks from both academic and private dermatologists over 1.5 days. Highlights and common conditions like acne, eczema, psoriasis, HIV and skin, hair loss, skin cancer, minor surgical procedures, cosmetics and pigmentation disorders amongst others will be covered in this exciting update.

Cost:

General Practitioner : R500

Medical students : R250 (Confirmation of registration as medical student required)

Adcock Ingram will not benefit from fees charged. All proceeds to go directly to the University of KZN Dermatology department
