

Vocal hygiene workshop:

Vocal Hygiene Tips:
What lecturers need to know as professional voice users

- Do you lecture to large numbers of students (more than 30 students at a time)?
- Do you lecture for long periods of time?
- Do you have to project your voice over background noise in lectures?

If you answered ‘yes’ to one of these questions, then...

UKZN 3rd year students from the Discipline of Speech-Language Therapy in the School of Health Sciences invite you to a workshop on vocal hygiene awareness for professional voice users.

Space is limited.

Date: 6 August 2018
Time: 13:30 pm – 2:30 pm
Venue: Discipline of Speech-Language Therapy
5th level E Block, Speech Seminar Room
Westville Campus

Refreshments will be served after the workshop.
