- 9:30-10:00 : Prof Johannes A. Smit- UKZN School of Religion, Philosophy and Classics

#### **Topic : The journey of Open Access Journals at UKZN**

**Brief biography: Johannes A. (Jannie) Smit** (DLitt) is a graduate of the University of Durban-Westville (now University of KwaZulu-Natal), founding editor of *Alternation* as peer-reviewed interdisciplinary journal (1996) and served as research chair of the former Faculty of Humanities at UDW/ UKZN (2000 – 2006). As part of this focus, he assisted numerous young academics to research, write and publish their first academic articles following the peer review process. He is the former Dean and Head of School of the School of Religion, Philosophy and Classics at UKZN, and former President of the Association for the Study of Religion in Southern Africa (two terms). He also served as Acting Dean and Head of School of the School of Arts for one year and three months. His research interests are the History of Systems of Thought/ Knowledge-Power in the Humanities; the Interdisciplinary Digital Humanities in Africa; and Religion and Social Transformation. He teaches Comparative Religion (main focus Christianity), in the Programme in Religion and Social Transformation, which he founded in 2000.
