

2019 BURSARY OPPORTUNITIES ILLOVO SUGAR SA (PTY) LTD

Call for applications:

Illovo Sugar South Africa invites applications from previously disadvantaged groups in South Africa only for funding of their under graduate studies in the following fields of study:

- Electrical Engineering (heavy and light current)
- Mechanical Engineering
- Chemical Engineering
- Agriculture
- Commercial (Sales & Marketing)
- Finance

Who should apply:

- Second and third year students currently studying at either a University or University of Technology with above average academic results.
- Preference will be given to students who come from communities surrounding the Illovo SA operations.
- Bursaries will be awarded in line with Illovo's employment equity targets.

Important information:

- Students who are studying at a University of Technology will be sponsored to do their in-service training as part of the bursary, on condition that they go on to complete their B.Tech degree.
- The bursary covers academic fees (including registration, tuition and examination fees), accommodation, meals and prescribed books.
- Students will be required to complete a compulsory experiential learning within the Company during December/January vacations.
- During experiential learning, student may be required to complete mandatory training in line with operational requirements of each site.

How to apply:

Complete and forward the application form together with certified copies of results and identity document to: illovo@mindworx.co.za

When will you receive feedback:

Feedback will ONLY be sent to successful candidates 4 weeks after closing date.

CLOSING DATE: 26 OCTOBER 2018
