Every year on the 8th of November since 1949, Town Planners around the world celebrate the World Town Planning Day (WTPD). The day presents an opportunity to look at planning from a local to global perspective and celebrate the profession's achievements and show case planning evolution.

In commemorating World Town Planning Day, the eThekweni Municipality in partnership with SACPLAN, SAPI KZN, and UKZN has organized a half day conference aimed at reshaping the role of Planners in driving spatial transformation.

We thus invite all Town and Regional Planners in your organization to participate. Please note that seats are limited and will be available on a first come-first served basis!

You must RSVP no later than Friday 16th November to : Sinazo.Kala@durban.gov.za
