# *data@breakfast*

## COMPUTING SOLUTIONS

*Join us every last Friday of the month for a delicious breakfast and an insightful learning session where we discuss topics at the forefront of big data, AI, quantum computing, machine learning and more!*

This month's talk is by Katrin Tirok on **"Building foundational coding and data science skills in the research community with The Carpentries".**

The Carpentries (https://carpentries.org) is a not for profit organisation that develops materials and builds a worldwide network of volunteer instructors to teach researchers good practices of data organisation and computing skills to automate tasks, make better use of available data and enhance sharing and reproducibility of research results.

7:00 for 7:30am - 8:30am

Friday, 22 February

UKZN Westville Campus, Seminar Room 5 (Govan Mbeki Building)
