

# COLLEGE OF HUMANITIES STUDENT SUPPORT SERVICES

## Arrangements During University Shutdown

Dear Humanities Students,

Like most offices at UKZN, the Student Support Services will be closed for in-person face-to-face consultations in the following weeks in order to curb the spread of the COVID-19.

Although we will not be at our offices, you may still contact us via **email or telephone** during this period to schedule an appointment. We are currently offering consultations via telephone and Zoom videos. Please also look out for material that we will be soon uploading onto our webpages.

Please contact Vino Moodley or Dumsile Ndlovu to schedule an appointment:
