To fulfil the mandate of developing and intellectualizing isiZulu, which is one of the official indigenous languages in the country and in the province, the ULPDO together with the Pan South African Language Board (PanSALB) is proud to launch the Ukuvamisa book. The launch of Ukuvamisa book is ground-breaking for the UKZN's ULPDO and PanSALB respectively in that it incorporated a wide range of topics that are integral to the holistic development of a language. The book is aimed at harmonising grey areas in the existing isiZulu orthography, translation and interpreting techniques and terminology processes.

This publication is indeed a great contribution to the furtherance of multilingualism in the entire country. The book could be used either as a guide for scholarly, academic or for any other purpose. In addition, one of the programmes of the ULPDO is to promote literature development, hence the launch. It is hoped that this partnership will grow from strength to strength and yield more publications in the near future.

Ukuze kuqhutshwe umsebenzi wokuthuthukisa ulimi lwesiZulu nokulwenzwa ulimi lwezifundiswa, njengolunye lwezilimi zendabuko ezisemthethweni ezweni nasesifundazweni, i-ULPDO ne-Pan South African Board (i-PanSALB) bayaziqhenya ngokwethula incwadi Ukuvamisa. Isethulo sencwadi Ukuvamisa siyingqophamlando e- ULPDO yase-UKZN kanye naku-PanSALB ngoba sifake izihloko ezahlukahlukene ezihambisana nokuthuthukiswa kolimi ngokuphelele. Le ncwadi ihlose ukucacisa lapho okunokungacacile khona emithethweni yokubhalwa kwesiZulu, amasu okuhumusha nokutolika kanye nezinqubo zamatemu.

Le ncwadi eshicilelwe ingumnikelo omkhulu ekuthuthukiseni izilimi ezahlukahlukene ezweni lonke. Le ncwadi ingasetshenziswa njengomhlahlandlela kwezemfundo, ezokufunda kanye nanoma iyiphi enye inhloso. Okunye okubalulelike ukuthi olunye lwezinhlelo ze-ULPDO ukukhuthaza ukuthuthukiswa kokubhalwa kwezincwadi, okuyingakho sethula le ncwadi.
