

With effect from the 5th March 2021, the Discipline of Optometry Eye Clinic will be taking appointments via. email for staff and students from the Westville campus for General Eye Tests on Wednesdays and Fridays. This applies ONLY to staff and students who have a 2021 re-newed permit to enter the campus.

Booking of consultations must be made via. email ONLY. Interested patients may contact Prof Hansraj (hansrajr@ukzn.ac.za), together with a contact number. A suitable appointment will then be allocated depending on slots available and a reply email sent confirming the date and time of the appointment.

Please note:

- all COVID-protocols apply, and all persons attending the eye clinic are required to wear their masks, sanitize regularly and maintain social distancing at all times. The Discipline reserves the right to deny attention to any persons in violation of these conditions.
- This opportunity may be withdrawn at any time in the event that the current situation regarding the pandemic changes, but all effort will be made to inform all relevant parties should this happen.
