Certificate in Forensic Investigation Techniques

About this programme

This programme provides students with exposure to substantive, practical and ethical aspects of forensic investigation. The programme is designed to ensure that candidates are trained in the basic competencies of forensic investigation relevant to the criminal justice system and relating to commercial crime.

The objective is to equip students to undertake forensic investigations with an appreciation of law; forensic auditing; investigation techniques and the ethical implications.

How you will benefit

- Display an understanding of legal concepts relevant to forensic investigations
- Display an understanding of basic accounting and forensic auditing relevant to forensic investigations
- Display an understanding of specialised forensic investigation techniques
- Demonstrate an understanding of the civil and criminal trial processes, including Rules of Evidence
- Demonstrate the capacity to analyse witness statements and affidavits
- Demonstrate the capacity to prepare and write a forensic report

Key focus areas

- Basic Legal Concepts
- Basic Accounting Concepts and Forensic Auditing
- Specialised Forensic Investigation Techniques
- Civil and Criminal Trial Processes
- Rules of Evidence
- Forensic Report Writing

Who should attend

The programme is suitable for students interested in developing practical skills in forensic investigation.

Entrance requirement

- National Senior Certificate with minimum higher certificate admission or a relevant NQF4 qualification. No prior learning assumed of students.
- Applicant must have access to a reliable Internet line to complete required hours online

Programme fee

The programme fee of R20 000 (incl. VAT) covers online tuition, instruction material and data allocation.

Duration

12 days (Two block sessions over two months)

Disclaimer: Due to the extended planning horizon, UEL reserves the right to amend dates and prices at short notice, whilst protecting the consumer rights and interests of prospective delegates. For the most accurate information, please visit our website: www.ukznextendedlearning.com

UKZN Extended Learning (UEL) is committed to enrichment through lifelong learning, by providing high quality credit and non-credit bearing programmes in collaboration with schools and colleges of the University of KwaZulu-Natal. In a fast-changing environment, developing relevant and useful skills and knowledge, and the capacity to deliver results, is more important than ever. Our programmes are designed using the very best methods by combining content, based on both tried and tested results, and recent cutting edge research, with interactive experiential teaching and learning from local and international experts, faculty and guest speakers.

Other programmes in Law:

- Certificate in Labour Law
- Certificate in Advanced Labour Law
- Contracts Management (available on request)
- Certificate in Intellectual Property and Indigenous Knowledge Systems (available on request)
