

October 2021

Supply Chain Graduate Development Programme **(24 Month Graduate Programme)**

A Packaging Film Business based in Cato Ridge is offering a Supply Chain Graduate Development Programme for a 12 month fixed-term contract starting immediately. This vacancy is open to candidates who have completed a BComm Degree in Supply Chain. The successful candidate will obtain training and development on the Logistics / Warehouse, Production, Planning and Scheduling process within a manufacturing environment.

If you are interested in obtaining working experience within the Manufacturing environment, this is the opportunity for you. Candidates must be willing to work weekends and overtime and have reliable transport to and from Cato Ridge.

Closing date for applications is 28th October 2021

Interested candidates can email their CV's, copy of ID and transcripts to
