**Applications are invited from all interested eligible applicants, who are registered PhD students in the discipline of Chemistry, Pietermaritzburg Campus**

**COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE**

**SENIOR TEACHING ASSISTANT POSITIONS IN CHEMISTRY  
5 X POSITIONS AVAILABLE**

**5-MONTH AD HOC APPOINTMENT (PER SESSION)  
14 FEBRUARY 2022 – 30 JUNE 2022**

**SCHOOL OF CHEMISTRY AND PHYSICS  
PIETERMARITZBURG CENTRE**

These ad-hoc positions have arisen due to the need to provide a component of teaching duties, at a lower level, from a higher level post of where an academic member of staff has taken up an academic leader responsibility in the School, and also to offer additional support in CHEM110.

The successful candidate(s) appointed to this ad hoc student appointment will be required to, but may not be restricted to deliver online and or contact lectures and tutorials, oversee practicals and provide academic support for first, second and third year students.

**Minimum Requirements:**

- MSc in Chemistry or related field;
- Currently registered for Phd in Chemistry or related field;
- Two years relevant experience in lecturing, demonstrating and tutoring;
- Good internet connectivity.

The incumbent will report to the Academic Leader, Chemistry, Pietermaritzburg.

**REMUNERATION:** Remuneration is per tutorial/practical or session, and will be dependent on the qualifications and/or experience of the successful applicant.

**As a result of the COVID-19 pandemic, the successful appointee will be required to fulfil their responsibilities to the teaching programme in the likely event that the semester is extended.**
