D. DECLARATION BY STUDENT

I ………………………………………………………………………………. hereby confirm:

1. I am / intend to registered as a full-time student at UKZN in 2023.
2. That I have historical debt outside of my current sponsor/bursary or scholarship.
3. I wish to apply for the SRC Trust Funding that will assist me with registration fees or historical debt.
4. Only students whose gross family income is below R350 000,00 per annum not funded and provides proof of being needy. The lowest family income principal will be applied.
5. Students who are funded and have historical debt due to be paid by the student and student provides proof of a family income below R350 000 per annum where the lowest family income will be prioritized.
6. Only students with an average pass rate of at least 55% will be considered for possible assistance. Should there be more students than the funds available selection will start from the highest performing student.
7. Duration taken to complete the qualification will be considered should there be more students than the available funds.
8. For research students the two requirements must also be met: i) Submission of progress report or supervisor motivation on progress and plans towards completion. ii) the duration to complete qualification will be considered should there be more students than the funds available.
9. I understand that this application does not guarantee that I will receive funding. Only successful applicants will be responded to.
10. That the information provided on the first page is factually correct.
11. Should I be found to have provided false information I will be subject to student disciplinary procedures and repay any funding awarded to me.

Signed by student: ………………………………………………………………………….

Date   : ………………………………………………………………………….
