# ONLINE LIBRARY TRAINING

*Welcome To You Class of 2023!*

UKZN Library Services is offering you a range of training to upskill you with finding resources for assignments and research

**6-24 MARCH 2023**

## What training is on offer?

1. iCatalogue (the ultimate UKZN library resources search engine) + eBooks basic access and use
2. EBooks (in-depth explanation, downloading, Adobe Digital Editions)
3. Google Scholar (One of the many databases you can use to source information)
4. EbscoHost (One of the many subscription databases you can use to source information)
5. Referencing (basics on using the APA and Harvard styles)
6. ENDNOTE (Basic – you must know how to use the catalogue and databases)
7. My Library Account (to independently manage your book loans, requests and searches and intercampus and interlibrary loan requests)
