

Cradle of Humankind, Johannesburg, 18–20 November 2014

5th Conference on Industrial Fluidization, South Africa

Short course on fluidization

First announcement & call for abstracts

The organizing committee is pleased to announce IFSA 2014, a conference and short course on industrial fluidization

Conference dates: 19–20 November 2014

Short-course date: 18 November 2014

Venue: Glenburn Lodge, Cradle of Humankind, a half-hour drive from Johannesburg or Pretoria, South Africa

The conference is aimed at scientists, engineers, students, plant operators and suppliers. It emphasizes applications of fluidization and fluid-bed technologies in industry.

The programme will cover—

- Clean coal and renewable energy
- Applications in chemical and metallurgical industries
- Modelling and computational fluid dynamics
- The fundamentals of fluidization
- Auxiliary processes and novel applications

The short course will cover fundamentals and applications, with an emphasis on applications.

The deadline for the submission of abstracts is **30 April 2014**. Abstracts may be submitted through the website or by e-mail (see below).
