

IN DIALOGUE WITH THE REGISTRAR

From 1 January 2014, the Office of the Executive Director Physical Planning & Operations (PPO) was absorbed into the Portfolio of the Registrar. The operations under the Registrar will now include Risk Management Services (RMS), Campus Management Services (CMS), and; Infrastructure, Planning and Project Management.

The Registrar, Mr Convy Baloyi and members of his team cordially invite you to join them at one of their campus visits. This will be an opportunity in which you can learn about the various units within the Registrar's portfolio, pose questions and offer ideas that can help deliver a better service.
