## FIRST-YEAR EXPERIENCE PROGRAMME

### CONTACT SESSIONS TO COMPLETE UNIT 1

The UKZN First-Year Experience Programme (FYEP) is a year-long programme designed to help you successfully transition from high school to university. The UKZN Rules for a Bachelor's Degree, the BR10, states that for a bachelor's degree, **you must successfully complete all components of the non-credit-bearing FYEP within your first year of enrolment at the university.** The FYEP adopts a blended mode of delivery. You can, therefore, access and work through the online programme at your own pace or join a group session.

**In Semester One, you must complete Units 1 and 2, and in Semester 2, Units 3 and 4.**

Come join the contact group sessions to learn more about the FYEP and to be supported as you complete the Units. **The contact sessions will run from 9 April to 30 April 2024.**
