DIPL⬤MICS

CONNECTING RESEARCHERS & WORLD CLASS OMICS FACILITIES

UNLOCK THE SECRETS OF GENOMICS!

Training Series on Ensembl Genome Browser and Ensembl REST API
Dive deep into genomic science with our hands-on training sessions. Whether you're new to genomics or looking to enhance your skills, join us for a series of transformative workshops.

Ensembl Genome Browser
- 17 September: CPGR/DIPLOMICS, Cape Town
- 20 September: University of Pretoria, Future Africa Campus, Pretoria
- 21 September: University of Pretoria, Future Africa Campus, Pretoria
- 25 September: Kwazulu-Natal Research Innovation and Sequencing Platform (KRISP), Durban

Ensembl REST API - Prerequisite: R, Python, or Perl coding skills
- 18 September: CPGR/DIPLOMICS, Cape Town
- 22 September: University of Pretoria, Future Africa Campus, Pretoria
- 26 September: Kwazulu-Natal Research Innovation and Sequencing Platform (KRISP), Durban
