The UKZN First-Year Experience Programme (FYEP) is a year-long programme designed to help you successfully transition from high school to university. The UKZN Rules for a Bachelor's Degree, the BR10, states that for a bachelor's degree, you must have successfully completed all components of the **non-credit-bearing** FYEP within your **first year of enrolment at the university**. The FYEP adopts a blended mode of delivery. You can, therefore, access and work through the online programme at your own pace (<https://fye.ukzn.ac.za/>) or join a group session. In Semester Two, you will need to complete Units 3 and 4, but we will provide sessions for you to catch-up on Units 1 and 2.

Join the FYE Mentors for the Unit 1 and 2 catch-ups. Please bring your computers/ laptops and smartphones, and ensure your devices are fully charged and that the data/ Wi-Fi can be activated on these devices.
