

PIETERMARITZBURG CAMPUS FYEP SESSIONS

Don't be left behind! Ungasali! Ungashiyeki!

The UKZN First-Year Experience Programme (FYEP) is a year-long programme designed to help you successfully transition from high school to university. The UKZN Rules for a Bachelor's Degree, the BR10, states that for a bachelor's degree, you must have successfully completed all components of the **non-credit-bearing** FYEP within your **first year of enrolment at the university**. The FYEP adopts a blended mode of delivery. You can, therefore, access and work through the online programme at your own pace (<https://fye.ukzn.ac.za/>) or join us to complete the Units. In Semester Two, you will need to complete Units 3 and 4, but we will provide sessions for you to catch-up on Units 1 and 2. **Join the FYE Mentors in an online or contact session and be supported as you complete the four Units.**

We will commence with the catch-up for Units 1 & 2 and then Units 3 & 4 once they become available. Join any of the sessions.
