

It's time for OUR
PROJECT DAY

-DISCIPLINE OF MECHANICAL ENGINEERING-

FINAL YEAR PROJECT DEMONSTRATION DAY

Date: 25 October 2024

Time: 10h00 to 12h00

Location: Mechanical Engineering Building

The Discipline of Mechanical Engineering invites all staff and students to attend our project demonstration day. The projects on display this year encompass robotics, aerospace systems, green energy technologies, and various industrial solutions. The projects demonstrate the innovation, hard work and inspiration of our final year students.

Come and indulge your technology senses!
