Cordially invites you to the

Series 3: Pedagogy of Supervision Workshop

28-29 November 2024

09h00 - 16h00

Westville Campus,
Seminar Room 5

About the workshop

Delve into effective supervision in our Pedagogy of Supervision Workshop designed specifically for emerging researchers. This workshop offers a comprehensive exploration of the crucial components of exemplary postgraduate student supervision, equipping participants with invaluable tools, models, and shared experiences to enhance their supervisory practices. Through dynamic sessions, attendees will learn to adeptly manage and guide the postgraduate supervision process, fostering a collaborative network for exchanging insights and engaging in discussions on best practices. Delving into the nuances of the supervisor-student relationship, this workshop provides a platform for deepening understanding and refining approaches to mentorship. Join us in this transformative learning experience.

Meet your Facilitator

Professor Urmilla Bob

Professor Urmilla Bob is a Full Professor of Geography in the School of Agriculture, Earth and Environmental Sciences at the University of KwaZulu-Natal, South Africa. She conducts research on a range of developmental and environmental issues, including socio-economic impact assessments of developmental projects in relation to conservation and tourism projects as well as sustainable livelihoods in both rural and urban contexts. Urmilla has been involved in collaborative research with national and international academic organizations and NGOs. She has training expertise in quantitative and qualitative methodologies and techniques, monitoring and evaluation, development of indicators, social and environmental impact assessments, and gender analytical methodologies. Urmilla holds a Masters and PhD in Geography from West Virginia University, USA, and a Masters in Tertiary Education Management from the University of Melbourne, Australia.
