

The Corporate Relations Division invites you to a

# COIL Workshop

ENHANCING INTERNATIONALISATION THROUGH COLLABORATION

## Workshop Focus:

This workshop will explore COIL (**Collaborative Online International Learning**) as a powerful tool to foster meaningful internationalisation through collaboration between students and staff.

## Facilitator:

**Dr. Casey Dinger** (University of Denver)

Dr. Dinger will share his experience in driving global engagement at the University of Denver through COIL and will demonstrate how UKZN can integrate COIL into its programme offerings. The session will be interactive and practical, aimed at identifying opportunities for COIL at UKZN.

## What to Bring:

Please bring an example of a teaching curriculum from your academic environment for discussion.
