INTERNSHIP PROGRAM

SUPPORT AND EMPOWER

JULY 2025 - JULY 2026

Successful applicants of the WULUW mentorship programme will also be eligible for selection into the WULUW internship programme, subject to the same criteria. All applicants who wish to participate in the internship programme must express their interest in writing. This internship aims to empower, educate, and employ young South African women, benefiting not only their personal development but also the municipalities and the country as a whole. It offers mentoring, tangible skills, and work experience to kick-start careers in WASH (water, sanitation, and hygiene), a sector that urgently needs enthusiastic and intelligent women.

THE DETAILS:

A minimum of 2 mentees will participate in this internship pilot program (12 months) covering technical and career skills at a municipality based in South Africa from July 2025 to July 2026.

Mentees will be paired with a mentor who will provide continuous support, guidance and career advice.

A monthly stipend to cover expenses will be provided.
