

The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution.

Preference will be given to applicants from designated groups in accordance with our Employment Equity Plan.

**COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE**

**AD-HOC LECTURER (BIOL234W1 – CYTOLOGY & CELLULAR BIOLOGY)**

**SCHOOL OF LIFE SCIENCES  
WESTVILLE CAMPUS**

**REFERENCE NO.: SLS 04/2025**

The incumbent will be expected to teach lectures and tutorials in BIOL234 (Cytology and Cellular Biology), specifically covering the theory and use of light and electron microscopy; cell walls, cellulose biosynthesis and specialization; the endomembrane and cytoskeletal systems; organelles; cell communication and signaling, ultrastructural morphology and functions of secretory tissues.

A strong background in biology is essential. The incumbent must be available for face-to-face meetings with students, which will include lectures, tutorials and practicals. Some activities may be offered in blended or online mode.

The incumbent will report to the Academic Leader: Cellular Biology.

**Minimum Requirements:**

- PhD degree or Masters degree with evidence of submission of PhD thesis for examination in Biology or a relevant field.
- Experience in teaching in a relevant field at tertiary level.
- Evidence of presentations at national or international conferences.
- Current research activity as evidenced by publication(s) in quality scientific journals.

**Advantage:**

- Experience with online Teaching Platforms, SLS PhD teaching course participation.

The appointment will be at standard University rates on a per lecture/tutorial/practical basis.

Enquiries and details regarding the post may be directed to Dr Angus Macdonald, email: [macdonalda@ukzn.ac.za](mailto:macdonalda@ukzn.ac.za)

**The closing date for receipt of applications is 03<sup>rd</sup> January 2025.**

**Applicants are required to submit a covering letter and their CV. The letter must provide details of the candidate's experience in the minimum requirements as listed above.**

**Application documentation must be sent to Mrs Devashnee Chinniah, e-mail: [chinniahd@ukzn.ac.za](mailto:chinniahd@ukzn.ac.za)**

**Please note that correspondence will be limited to short-listed candidates. The School of Life Sciences reserves the right not to make an appointment.**

Kindly note that the University of KwaZulu-Natal ("the University") is required to process any Personal Information (as defined by the Protection of Personal Act, 2013 "POPIA") submitted by candidates when applying for positions at the University. The provision of the Personal Information is a requirement in terms of the University's recruitment and selection process. The retention of any personal information is as a consequence of the University being bound by legislative requirements and / or good governance practices as well as record keeping for statistical purposes. The University will endeavour to ensure that the appropriate security measures are in place and implemented for both electronic and paper-based formats that are used for processing of the personal information recorded through this recruitment and selection process.
