COLLEGE OF
HEALTH SCIENCES

The Deputy Vice-Chancellor and Head of the University of KwaZulu-Natal's College of Health Sciences, Professor Busi Ncama, invites you to a Special VIP Guest Lecture on the human papillomavirus (HPV) by our Head of Obstetrics and Gynaecology, Professor Motshedisi Sebitloane.

Professor Sebitloane will be presenting on the topic:

“HPV and the Global Fight Against Cancer: Educating, Vaccinating and Screening for a Healthier Future”

DATE:
TUESDAY,
04 MARCH 2025

VENUE:
K1 & K2, K-RITH TOWER BUILDING,
NELSON R MANDELA SCHOOL OF MEDICINE,
UMBILO ROAD, DURBAN

TIME:
13H00 – 14H00

VIP Guest Lecturer biosketch:

Professor Motshedisi Sebitloane is the Head of Obstetrics and Gynaecology at the University of KwaZulu-Natal and of the Clinical Department at Victoria Mxenge Tertiary and Inkosi Albert Luthuli Central Hospitals. She sits on several local and international professional bodies, all driven by her passion for maternal health and HIV.

Facilitator biosketch:

Dr Atisha Maharaj is an Obstetrics and Gynaecology (O&G) Honorary Lecturer at UKZN and a Medical Specialist in the discipline at Inkosi Albert Luthuli Central Hospital. She is a member of Colleges of Medicine of South Africa where she has served as examiner and co-convenor for Gynae Oncology Certificate exam since 2022. She is also a member of HPV and cervical cancer national advisory committees. Her special areas of interest are gestational trophoblastic neoplasia, malignant ovarian germ cell tumours.
