

PIETERMARITZBURG CAMPUS FYEP SESSIONS 2025

The UKZN First Year Experience Programme (FYEP) is a year-long programme designed to help you successfully transition from high school to university. The UKZN Rules for a Bachelor's Degree, the BR10, states that for a bachelor's degree, you must have successfully completed all components of the **non-credit-bearing** FYEP within your **first year of enrolment at the university**. The FYEP adopts a blended mode of delivery - you can, therefore, access and work through the online programme at your own pace or join a group session.

Come join the FYE Mentors in an online or contact session to learn more about the FYEP and to be supported as you complete the Units
