## ABOUT THE UNIVERSITY LANGUAGE BOARD PROJECTS

### The implementation of the language policy and plan

The mission of the University Language Planning and Development Office is to embrace and foster functional bilingualism at UKZN through the promotion of equitable use of English language and isiZulu as provided for in the language policy (2006 revised in 2014). Thus ULB seeks to develop and promote isiZulu to be the language of research, science and teaching and learning. ULB is calling on all interested academics to apply for the ULB grant. The grant covers all the projects that are intended to implement the language policy and plan. The project should indicate its capacity and commitment, in the development of isiZulu in line with the UKZN language policy and plan. The proposals should be on the relevant language development projects including, Human Language Technologies (HLT's), Terminology Development, Promotion of Bilingualism and Multilingualism, Curriculum Development, Language Research etc.

### Objectives of the ULB Grant:

- To promote the project of curriculum transformation and intellectualization of African languages
- To cultivate and promote interdisciplinary research in the project of intellectualizing of African Languages
- To support and promote the digitalization of all African Languages
- To promote the development of technical terms in their respective domains.
- To implement the Language Policy and Plan by promoting transformation and development of African languages
