PHD SUPERVISION AND EXAMINATION WORKSHOP

The Research Office is hosting a workshop to enhance your effectiveness and confidence as a doctoral supervisor and examiner at UKZN. New and experienced PhD supervisors and examiners are all welcome.

Are you involved in PhD supervision or examination at UKZN? This interactive 4-hour workshop offers essential guidance on the policies, processes, and practices that shape doctoral supervision and examination at our institution. Led by Prof. Saras Reddy, the session unpacks UKZN's expectations, explores supervision models, and demystifies the examination journey, from proposal to final reports. Participants will engage with case studies, practice report writing, and reflect on real-world dilemmas, equipping them with practical tools and insights to support postgraduate success.

Time: 9h00 -12h30
Virtual
Date: Monday 28th July 2025
