

Internship Opportunity

🌟 KICKSTART YOUR CIVIL ENGINEERING CAREER AT SENTRADCO! 🌟

SENTRADCO (PTY) LTD IS SEEKING FINAL-YEAR OR RECENT CIVIL ENGINEERING GRADUATES TO ENGAGE IN REAL-WORLD INFRASTRUCTURE PROJECTS. AS LEADERS IN WATER SYSTEMS ENGINEERING, WE OFFER INNOVATIVE SOLUTIONS FOCUSED ON WATER DISTRIBUTION NETWORKS AND CONTROL SYSTEMS. WE ARE LOOKING FOR PASSIONATE AND ADAPTABLE GRADUATES READY TO MAKE A SIGNIFICANT IMPACT IN A DYNAMIC ENVIRONMENT. JOIN US TO CONTRIBUTE TO GROUNDBREAKING PROJECTS THAT SHAPE THE FUTURE! 🚀

MINIMUM REQUIREMENTS:

- Final-year or recent graduate in Civil Engineering, Construction, or Project Management.
- Strong communication skills and proficiency in English.
- Working knowledge of MS Office (Excel, Word, PowerPoint, Project).
- Demonstrated initiative, teamwork, and problem-solving ability.
- Duration: 12-month paid internship (with potential for extension based on performance).

YOUR ROLE:

- Inspect and assess sewer and water networks for functionality and performance.
- Assist with project coordination, site reporting, and progress tracking.
- Compile, analyse, and interpret technical data to support engineering decisions.
- Facilitate communication between field teams and project management units.

HOW TO APPLY:

- Send your CV and academic record to:
- ✉️ navjot@sentradco.co.za
- Use the subject line:
Civil Engineering Intern – [Your Name]
- Only shortlisted candidates will be contacted.
