

STEC@UKZN

2025 Holiday Workshop

17 December, 9.00-10.30, Age 6+

Crazy machine

Get crazy and design your own machine that can pop balloons, push a toy car, or do other silly things. The more complicated the better. See magic happening with just one touch and help build an awesome machine. Adults are welcome to join the fun!

18 December, 9.00-10.00, Age 5+

Tie-dye a string pouch

Experiment with colour and pattern and see how colours blend in cool ways. Twist, tie, and dye your own scientific string pouch art!

19 December, 9:00-10:00, Age 5+

DIY Shower Gel

Turn into a mini chemist! Mix ingredients and see how shower gel is made! Clean body, fun science!

19 December 10:15-10:50

Dr T's Last Science Show!!! Entrance Free.

Booking is essential!!!

To book a workshop contact the Science and Technology Education Centre (stec@ukzn.ac.za).
