

1	<p>To access the RIMS system, follow the steps below.</p> <p>RIMS Production environment:  <a href="https://rims.samrc.ac.za">https://rims.samrc.ac.za</a></p> <p><b>SAMRC Member login:</b></p> <ul style="list-style-type: none"> <li><b>Username:</b> SSO user Id</li> <li><b>Password:</b> Related password</li> </ul> <p><b>Non-SAMRC Member login</b></p> <ul style="list-style-type: none"> <li><b>Username:</b> Provided by RIMS Support</li> <li><b>Password:</b> Provided by RIMS support and click “Login”</li> </ul>	
2	<p>The “<b>Header Search</b>” provides a convenient and efficient way to search for and access information within the system.</p>	
3	<p>The “<b>View Profile</b>” feature allows users to access and view their details.</p>	
4	<p>To switch to a different role:</p> <ol style="list-style-type: none"> <li>Use the dropdown arrow,</li> <li>Select “Switch Role”</li> <li>Select the appropriate role</li> </ol>	
5	<p>The “<b>Research Portal</b>” is the external facing part of the RIMS system with information that is accessible externally.</p>	
6	<p>To delegate a role:</p> <ol style="list-style-type: none"> <li>Log in to your RIMS account</li> <li>Go to “My Settings”</li> <li>Choose “New delegation”</li> <li>Use the search icon to find and select the person you want to delegate to</li> <li>Confirm the delegation.</li> </ol> <p><b>Please note that only the Researcher role can be delegated.</b></p>	
7	<p>By selecting "Logout," you will be signed out of the system.</p>	
8	<p>Once logged in the system, this is the landing page. On the left, is the “<b>Left Navigation</b>” with various modules.</p> <p>In the middle is the “<b>Dashboard</b>” reflecting “<b>Outstanding items</b>” as a list of items that require attention/action. The “<b>Recently edited</b>” will show a list of items, documents or any other content that have been updated most recently.</p>	
9	<p>The field should enable the user to add or search for items within RIMS.</p>	
10	<p>Expanding the field should activate one or more of the following options. <b>Search existing, View A-Z list, View tree structure, Add new.</b></p>	
11	<p>The field should enable the user to insert a date.</p>	
12	<p>Fields with an asterisk are mandatory and the system should enforce completion upon save if field has not been completed.</p>	
13	<p>Fields with the tick box below should enable the user to click and activate a tick.</p>	
14	<p>Fields with a dropdown should give a user more options when the dropdown is expanded.</p>	
15	<p>Links with the “bin” deletion sign mean that an existing link can be deleted, and another one may be added using the “plus sign”.</p>	
16	<p><b>Save</b> means you are saving the form in the same workflow step/status it is on. <b>Save as</b> means you wish to move the form to another step, and/or exit out of the form.</p>	
17	<p>If a text box has diagonal lines on the bottom right-hand corner, it is possible to enlarge the amount of text visible under the Description column by dragging the small diagonal lines in the bottom right-hand corner of the relevant block.</p>	
18	<p>The two squares at the bottom depict that you are in a secondary/linked form, and you can save changes on the related form by clicking “done” or click “back to return to the main form without saving.</p>	
19	<p>To set a role as the default role when accessing the system.</p> <p>Click on “My settings”</p> <p>Select “Role Order”</p> <p>Hold and drag the desired role to the top</p> <p>Click “Save”</p>
