

The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution. Preference will be given to applicants from designated groups in accordance with our Employment Equity Plan.

COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**AD HOC LECTURER (GEOGRAPHY)
(FEBRUARY – JUNE 2026)
SCHOOL OF AGRICULTURE AND SCIENCE
PIETERMARITZBURG CAMPUS**

REF NO.: SAScGEOG1/2026

The successful candidate will lecture the second-year level Biophysical Environments of Southern Africa (ENVS210) module (5.4 Credits). Duties include teaching and delivering the practical components of the module, student consultations, and setting and marking tests and exams.

The incumbent will report to the Academic Leader of the Geography discipline.

Minimum Requirements:

- Master's degree in Environmental Science or a relevant field.
- Experience in teaching in a relevant field at a tertiary institution.

REMUNERATION: The remuneration package offered will depend on the qualifications and/or experience of the successful applicant, in line with UKZN remuneration for the ad hoc lecturer level. Rates of pay will be per university fixed-term rates, and official module (Handbook) approved hours for these academic duties.

The structure of this module may be adjusted and may include blended learning and remote teaching (70% contact and 30% online). However, all practicals and assessments are delivered in the traditional contact mode. The successful appointee will be required to fulfil their responsibilities to the teaching programme within these changes.

The School and the University reserve the right to not appoint and/or stop the recruitment process at any stage.

Enquiries and details regarding this post may be directed to Prof. Michael Gebreslasie, email: gebreslasie@ukzn.ac.za.

The closing date for receipt of applications is the 9th February 2026.

Applicants are required to submit a cover letter and CV. The letter must provide details of the candidate's fulfilment of each of the minimum requirements as listed above.

Please e-mail applications to Mrs Shanitha Ramroop, School of Agricultural and Science, Pietermaritzburg Campus. E-mail: RamroopSH@ukzn.ac.za

Kindly note that the University of KwaZulu-Natal ("the University") is required to process any Personal Information (as defined by the Protection of Personal Act, 2013 "POPIA") submitted by candidates when applying for positions at the University. The provision of the Personal Information is a requirement in terms of the University's recruitment and selection process. The retention of any personal information is as a consequence of the University being bound by legislative requirements and / or good governance practices as well as record keeping for statistical purposes. The University will endeavour to ensure that the appropriate security measures are in place and implemented for both electronic and paper-based formats that are used for processing of the personal information recorded through this recruitment and selection process.
