

Open to Open minds

Know a curious-minded graduate
looking to unlock their career?

**GRADUATE
PROGRAMME**

Dear Student

At RMB, we create environments where exceptional people explore ideas, connect with possibilities, and engage with work that matters. The **RMB Young Talent Expo 2026** has been designed with this purpose in mind.

You're invited to apply for an opportunity to spend a day inside our world and experience how your academic background, curiosity and problem-solving ability can shape meaningful work within Corporate and Investment Banking.

What the Expo offers

Join us to:

- See how we apply thinking, creativity and technical expertise to real work
- Explore our business areas, including Investment Banking, Global Markets, Technology, Engineering and Operations
- Experience demonstrations of current internal projects
- Engage with RMB employees and graduates
- Learn more about our Graduate Programme and how to position yourself for success

This is an interactive space created for students who want to understand how your talent can make an impact.

Who should apply

You are encouraged to apply if you are:

- Currently completing Honours, Postgraduate Diploma or Masters

- Holding a cumulative average of 70% and above
- Studying Finance, Economics, Engineering, Data Science, Computer Science, Information Systems, Mathematics, Statistics, Actuarial Science or related STEM fields
- a curious thinker who enjoys solving problems and exploring how ideas can become meaningful work

How to apply

Ensure that you share the following documents with your application, using the link below:

- Your CV
