EDGEWOOD CAMPUS FYEP SESSIONS 2026

Don't be left behind! Ungasali!

The UKZN First-Year Experience Programme (FYEP) is a year-long programme designed to help you successfully transition from high school to university. The UKZN Rules for a bachelor's degree, the BR10, states that for a bachelor's degree, **you must have successfully completed all components of the non-credit-bearing FYEP within your first year of enrolment at the university.** The FYEP adopts a blended mode of delivery - You can access and work through the online programme at your own pace (<https://fye.ukzn.ac.za/>) or join a group session. Come join the FYE Mentors in an online or contact session to learn more about the FYEP and to be supported as you complete the Units.
