

Work Rite Door is a company which is based in Pinetown KZN, is looking for Quantity Surveyor/ Civil Engineering graduates for a fixed term employment opportunity in our organisation.

We are currently looking to receive CVs from individuals who meet any of the following criteria:

- Students who have completed their qualification in Quantity Surveying/Civil Engineering.
- Graduates in Quantity Surveying who already have some exposure in the field but are currently seeking work.

We are looking to review approximately 10 CVs and would appreciate it if these could be accompanied by copies of their academic certificates where possible.

Please send CV with academic transcripts to: [info@workritedoors.co.za](mailto:info@workritedoors.co.za)

Closing date: 20 March 2026 before the end of Day.
