United Nations Educational, Scientific and Cultural Organisation.*

INSPIRING GREATNESS

Adrian Peters

Adrian Peters is a registered Professional Engineer, Vice President of ECSA, past Council member of the Council for the Built Environment and a Fellow of the South African Institute of Civil Engineering. He chairs ECSA's Legal Affairs Committee, Investigations Committee and the Identification of Engineering Work Steering Committee. He currently holds the position of Chief Strategy Officer of eThekweni Municipality.

Rovani Sigamoney

Rovani Sigamoney is a chemical/environmental engineer from South Africa who started in the platinum refinery/ mining sector and then moved on to researching bioenergy systems and biofuels for Africa. She joined the United Nations Educational, Scientific and Cultural Organisation (UNESCO) as a Young Professional in 2007. Passionate about women in engineering and encouraging more youth to pursue careers in engineering, her current role encompasses much of her enthusiasm for the goals of UNESCO Engineering.

Certificate of Excellence Professor Antony C. Britten

This meritorious award is presented to Antony Britten by the University of KwaZulu-Natal, School of Engineering and the Eskom Centre of Excellence in HVDC Engineering, for a career of excellent service as Technical Director, Adjunct Professor and Specialist Engineer to UKZN.
