

The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution. Preference will be given to applicants from designated groups in accordance with our Employment Equity Plan.

**COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE**

**AD-HOC LECTURER  
(GENE330P2: GENOMICS AND MOLECULAR DIAGNOSTICS)  
DISCIPLINE OF BIOLOGICAL SCIENCES**

**SCHOOL OF AGRICULTURE & SCIENCE  
PIETERMARITZBURG CAMPUS**

**REFERENCE NO.: SAScBS 28/2026**

We are seeking an ad-hoc lecturer to teach on the module GENE330, Genomics and Molecular Diagnostics. The incumbent will be required to teach eukaryotic genome organization, gene expression and gene control, as well as cloning, and the manipulation and analysis of eukaryotic DNA, RNA and proteins. The incumbent will require broad and detailed knowledge of modern molecular and diagnostic techniques.

The incumbent will also be expected to oversee/supervise practicals, organize tutorials and set assessments required for the module. The incumbent will be expected to liaise with the Discipline Head to ensure that all the teaching, practical and assessment requirements are met.

The incumbent will report to the Head of Discipline: Biological Sciences

**Minimum Requirements:**

- PhD degree in Genetics or a relevant field OR MSc degree in Genetics, or a related field with evidence of submission of PhD thesis for examination.
- Experience in teaching in a relevant field at a tertiary institution.

The appointment will be at standard University rates on a per lecture/tutorial/practical basis.

Enquiries and details regarding the post may be directed to Prof R Hewer, email: [hewerr@ukzn.ac.za](mailto:hewerr@ukzn.ac.za)

**The closing date for receipt of applications is 17<sup>th</sup> June 2026.**

**Applicants are required to submit a covering letter and their CV. The letter must provide details of the candidate's experience in the minimum requirements as listed above.**

**Application documentation must be sent to Mrs Devashnee Chinniah, e-mail: [chinniahd@ukzn.ac.za](mailto:chinniahd@ukzn.ac.za)**

**Please note that correspondence will be limited to short-listed candidates. The School of Agriculture & Science reserves the right not to make an appointment.**

Kindly note that the University of KwaZulu-Natal ("the University") is required to process any Personal Information (as defined by the Protection of Personal Act, 2013 "POPIA") submitted by candidates when applying for positions at the University. The provision of the Personal Information is a requirement in terms of the University's recruitment and selection process. The retention of any personal information is as a consequence of the University being bound by legislative requirements and / or good governance practices as well as record keeping for statistical purposes. The University will endeavour to ensure that the appropriate security measures are in place and implemented for both electronic and paper-based formats that are used for processing of the personal information recorded through this recruitment and selection process.
