SCHOOL OF ARTS

POSTGRADUATE RESEARCH DAY

MASTERS AND DOCTORAL STUDENTS

8 OCTOBER 2014 (PIETERMARITZBURG CAMPUS)

9 OCTOBER 2014 (HOWARD COLLEGE CAMPUS)

10 September 2014

Dear student,

The School of Arts is organizing a Postgraduate Research day on 8 October (Pietermaritzburg campus) and 9 October (Howard College Campus) 2014. This is a unique opportunity for you to present an aspect of your research project to your peers. Your presentation could then also be developed into a research paper to be presented at a Conference in South Africa or abroad, or into an article to be submitted to a journal.

For MA students, the allocated timeslot is 20 minutes (presentation of 12-15 minutes, followed by a short discussion), and for PhD students, the allocated timeslot is 25 minutes (presentation of 18-20 minutes followed by a short discussion). It is full day event, and tea and lunch will be provided. The detailed programme will be send to you once all the papers have been selected.

You can, if you wish, attend the research day without presenting a paper. Please discuss this with your supervisor and complete the attached registration form before Tuesday 23 September 2014.

I hope to meet you all at the Research Day!

Academic Leader for Research: School of Arts

Professor B De Meyer

Postal Address: Room: 129, Old Main Building, King Edward Avenue, Pietermaritzburg, 3201, South Africa
