

The University of KwaZulu-Natal (UKZN) is committed to meeting the objectives of Employment Equity to improve representivity within the Institution. Preference will be given to applicants from designated groups in accordance with our Employment Equity Plan

COLLEGE OF AGRICULTURE, ENGINEERING AND SCIENCE

**AD HOC LECTURER
(Introduction to Mine Geology)
JULY – SEPTEMBER 2026
SCHOOL OF AGRICULTURE AND SCIENCE,**

Re-advertisement

WESTVILLE CAMPUS

REF. NO.: SAScGEOL4/2026

The successful candidate will lecture Geology at the Westville Campus, primarily delivering the Introduction to Mine Geology (GEOL323) module. The role involves teaching both theoretical and practical aspects of mine geology, including mining terminology, mining methods, mine mapping, plan reading, mineral resource management, resource estimation, and ore reserve calculations. The candidate should also facilitate practical exercises, presentations, and mine plan interpretation, and must have a strong background in Mine Geology.

The incumbent will report to the Head of Discipline: Geology

MINIMUM REQUIREMENTS:

- A PhD degree in the relevant discipline OR Master's degree in the relevant discipline, with evidence of submission of PhD for examination.
- Experience in teaching in a relevant field at tertiary institution.
- Evidence of presentations, at national or international conference.
- Current research activity as evidenced by a publication in quality scientific journals.

REMUNERATION: The remuneration will be in line with UKZN remuneration for an ad hoc lecturer level in accordance with the University's fixed-term rates.

The structure of this module may be adjusted and may include blended learning and remote teaching (70% contact and 30% Online). However, all practicals and assessments are delivered in contact mode. The successful appointee will be required to fulfil their responsibilities to the teaching programme within these changes.

Enquiries and details regarding this post may be directed to Dr. Lauren Hoyer, email: Hoyerl@ukzn.ac.za.

The closing date for receipt of applications is Tuesday, the 21st July, 2026.

Applicants are required to submit a detailed CV and covering letter highlighting their experience in meeting each of the minimum requirements as listed above. Application documentation, clearly indicating the reference no and the module applied for, must be emailed to: Mrs Megan Maistry, School of Agriculture and Science, Westville Campus. E-mail: maistrym@ukzn.ac.za **before the closing date.**

The University reserves the right not to make an appointment to this advertisement.

Kindly note that the University of KwaZulu-Natal ("the University") is required to process any Personal Information (as defined by the Protection of Personal Act, 2013 "POPIA") submitted by candidates when applying for positions at the University. The provision of the Personal Information is a requirement in terms of the University's recruitment and selection process. The retention of any personal information is as a consequence of the University being bound by legislative requirements and / or good governance practices as well as record keeping for statistical purposes. The University will endeavour to ensure that the appropriate security measures are in place and implemented for both electronic and paper-based formats that are used for processing of the personal information recorded through this recruitment and selection process.
